Summary Regulations for Candidates – updated January 2025

This document and the Notice to Candidates contain important information about your Cambridge English exam.
The full Regulations are available from cambridgeenglish.org/help.

1. Registering for an exam

Your agreement is with the Centre and you pay your fee to them.
Tell your Centre as soon as possible if you need any access/special arrangements so that they can do their best to put them in place for you in time for the exam.

2. Photo ID

For Pre A1 Starters, A1 Movers, and A2 Flyers exams, no ID is required. For all other exams, you must bring an original, unexpired, photo ID on the exam day or you may not be allowed to take the exam, or you may not receive a result. Digital/electronic ID is not accepted. Candidates aged 18 or over on the exam day must bring a government-issued photo ID on the exam day.
If you want to use the exam for immigration, tell your centre and check with the relevant authority which ID they accept. Give that ID number when you register for the exam. Bring the same ID to the exam.

There are extra ID rules for C1 Advanced candidates in some countries and for candidates taking exams outside of their country of permanent residence.
Check with your Centre or see the full Regulations for more details. If you cannot comply with the ID rules, tell your Centre before you register or as soon as your circumstances change.

3. Electronic items

Before the exam day make sure you know your Centre's electronic items policy and the type of storage available on the exam day. You must not keep electronic items, such as phones and watches (all types), inside the exam room.
You may be checked for devices on entry.

4. Test day photo

Currently for B2 First, C1 Advanced, and C2 Proficiency exams, we need your photo to be taken on the exam day as an extra identity check. By registering for one of these exams, you understand, or your parent/guardian understands, that a test day photo will be taken. If you refuse to have your photo taken, or your parent/guardian refuses, you may not be allowed to take the exam or you may not receive a result. We will not usually issue a result for C1 Advanced candidates without a test day photo.

5. Taking the exam

Bring pencils, pens, and stationery to the exam, as listed in the Notice to Candidates.
If you arrive late, you may not be allowed to take the exam.
The use of offensive language in your exam answers will not be accepted and you will not receive a result.
We, or your Centre on our behalf, may video or audio record your Speaking test for quality, security, and/or research purposes.
If you do not feel well on the exam day or think that your performance may be affected, tell the venue staff immediately. If appropriate, your Centre will report this to us for consideration.
If you cannot attend the exam, inform your Centre as soon as possible. Your Centre can advise you about their refund policy or the possibility of registering for another exam date. Your Centre may ask you for supporting evidence such as a medical statement.

6. Suspected malpractice

Cheating, or attempting to cheat, is malpractice. To protect the integrity and reliability of our exams we have strategies, such as statistical analysis, that counter and identify attempts at malpractice. We investigate suspected malpractice, and this may delay your result.

If we determine that our regulations have been broken and/or the scores are not a reliable indicator of your ability, we may withhold or cancel your result. We may also ban you from taking future Cambridge English exams.

7. Results

Your Centre will forward your result for Teaching Knowledge Test exams. For all other exams, your result will be available from the [Results Service for Candidates](#) by the last day of the results release window. You need to register to access this service, and your Centre will provide you with the details.

If we determine that our regulations may have been broken and/or the scores are not a reliable indicator of your ability, we may withhold or cancel your result.

We may review results and under exceptional circumstances we may change a result.

All the available information is in your Statement of Results. We will not give feedback on your performance.

Summary Regulations for Candidates – updated January 2025

This document and the Notice to Candidates contain important information about your Cambridge English exam.
The full Regulations are available from cambridgeenglish.org/help.

1. Registering for an exam

Your agreement is with the Centre and you pay your fee to them.
Tell your Centre as soon as possible if you need any access/special arrangements so that they can do their best to put them in place for you in time for the exam.

2. Photo ID

For Pre A1 Starters, A1 Movers, and A2 Flyers exams, no ID is required. For all other exams, you must bring an original, unexpired, photo ID on the exam day or you may not be allowed to take the exam, or you may not receive a result. Digital/electronic ID is not accepted. Candidates aged 18 or over on the exam day must bring a government-issued photo ID on the exam day.
If you want to use the exam for immigration, tell your centre and check with the relevant authority which ID they accept. Give that ID number when you register for the exam. Bring the same ID to the exam.

There are extra ID rules for C1 Advanced candidates in some countries and for candidates taking exams outside of their country of permanent residence.
Check with your Centre or see the full Regulations for more details. If you cannot comply with the ID rules, tell your Centre before you register or as soon as your circumstances change.

3. Electronic items

Before the exam day make sure you know your Centre's electronic items policy and the type of storage available on the exam day. You must not keep electronic items, such as phones and watches (all types), inside the exam room.
You may be checked for devices on entry.

4. Test day photo

Currently for B2 First, C1 Advanced, and C2 Proficiency exams, we need your photo to be taken on the exam day as an extra identity check. By registering for one of these exams, you understand, or your parent/guardian understands, that a test day photo will be taken. If you refuse to have your photo taken, or your parent/guardian refuses, you may not be allowed to take the exam or you may not receive a result. We will not usually issue a result for C1 Advanced candidates without a test day photo.

5. Taking the exam

Bring pencils, pens, and stationery to the exam, as listed in the Notice to Candidates.
If you arrive late, you may not be allowed to take the exam.
The use of offensive language in your exam answers will not be accepted and you will not receive a result.
We, or your Centre on our behalf, may video or audio record your Speaking test for quality, security, and/or research purposes.
If you do not feel well on the exam day or think that your performance may be affected, tell the venue staff immediately. If appropriate, your Centre will report this to us for consideration.
If you cannot attend the exam, inform your Centre as soon as possible. Your Centre can advise you about their refund policy or the possibility of registering for another exam date. Your Centre may ask you for supporting evidence such as a medical statement.

6. Suspected malpractice

Cheating, or attempting to cheat, is malpractice. To protect the integrity and reliability of our exams we have strategies, such as statistical analysis, that counter and identify attempts at malpractice. We investigate suspected malpractice, and this may delay your result.

If we determine that our regulations have been broken and/or the scores are not a reliable indicator of your ability, we may withhold or cancel your result. We may also ban you from taking future Cambridge English exams.

7. Results

Your Centre will forward your result for Teaching Knowledge Test exams. For all other exams, your result will be available from the [Results Service for Candidates](#) by the last day of the results release window. You need to register to access this service, and your Centre will provide you with the details.

If we determine that our regulations may have been broken and/or the scores are not a reliable indicator of your ability, we may withhold or cancel your result.

We may review results and under exceptional circumstances we may change a result.
